To Whom It May Concern:

This letter is to acknowledge the enduring and productive relationship that exists between ShareCor and The MHA Group, a national health care staffing firm located in Irving, Texas.

The MHA Group is comprised of several distinct health care staffing and consulting companies, including Merritt, Hawkins & Associates, Staff Care, Allied Consulting, and American Medical Consulting. Since 1995, these firms have served as ShareCor preferred providers in the areas of permanent physician staffing, locum tenens physician staffing, allied health professional staffing and medical staff planning and consulting.

We have found The MHA Group's industry knowledge, commitment to quality and professionalism to be superior. The MHA Group has provided key faculty members for Louisiana Hospital Association annual meeting and seminars, providing insightful and timely programs on a wide range of staffing topics. Original data generated by Merritt, Hawkins & Associates and other MHA Group companies regarding physician and allied professional compensation and practice patterns have been widely referenced by hospital throughout the state and throughout the country. Staff Care's "Country Doctor of the Year Award", which has achieved national praise and recognition was first bestowed on a Louisiana physician, John Harlan Haynes, MD, of Vivian.

In addition, The MHA Group has provided the highest level of service to Louisiana hospitals, recruiting hundreds of providers to our state and completing industry leading medical staff plans.

We have found The MHA Group consistently willing to commit the time, energy and expertise necessary to building lasting relationships. If you have any questions about their family of companies, please feel free to call me at (504) 837-6266 or you may call them directly at 1-800-876-0500.

Sincerely,

James M. Dixon
President
