

AN ASSOCIATION OF
MONTANA HEALTH
CARE PROVIDERS

April 18, 2003

To Whom It May Concern:

MHA Ventures Inc. is pleased to announce the one year anniversary of its endorsed partnership with The MHA Group. The ongoing growth and development of this relationship has proven to be a well received benefit to our members.

The MHA Group is a national organization of health care staffing firms that provide temporary and permanent physician staffing, locum tenens staffing, temporary and permanent allied health professional, and medical staff planning and consulting.

The MHA Group includes:

- Merritt, Hawkins & Associates, permanent physician search and consulting
- Staff Care, Inc., locum tenens staffing
- Med Travelers, temporary allied health care professional staffing
- Allied Consulting, Inc., permanent allied health professional placement
- American Medical Consulting, medical staff planning and consulting

The MHA Group's professionalism and health care industry knowledge are both superior. The MHA Group offers unrivaled resources as well as a proven track record across the country. The contacts and interactions I have had among all of the MHA Group companies have been outstanding. They are all focused on finding the right solutions for the customer and work hard to achieve this goal. Their communication skills and interest in learning about our members and matching service to fill their needs is outstanding.

The MHA Group has been a welcome addition to our program of services available to our members. Their professionalism, hard work, integrity, and commitment to our members is excellent. If you have any questions about the MHA Group, please feel free to contact me at (406) 442-1911 or contact them directly at (800)876-0500.

Sincerely,
Dick Brown
Executive Director
